DESCRIPTIONWelcome to this Beautiful Cottage style home that's priced 64K below market value. It is conveniently located in the heart of town for easy access to the fun activities Lovell offers all year long. This is a rare find with nature all around and an unbelievable amount of instant equity in a home. This is a gorgeous 3 bed 2 baths with gorgeous original hardwood doors, windows and floors for that absolute comfort feel in the home. One of my favorite things about the home is the secluded Florida Room/Sun Porch area. It is ideal for relaxing on a hot summers day or visiting with friends for an evening get together. I love the huge living room area for perfect for entertaining or just relaxing after a long day. All

the rooms are oversized with plenty of room for storage above and below the house. The master suite has a full bathroom with an adjoining closet/extra room and easy access. There is a large storage area with a workshop area with a lot of outside storage space. The back yard is a beautiful lot with a large area for back yard parties and summer BBQ parties. The house is full of trees and is full of a lot of storage and is a great place to live. This is a cute family home at a steal of a price!
