27 year old incoming UW graduate student looking for a place in Laramie. Houses or Apartments are fine but prefer not having roommates as spouse will be coming to stay weekends and other times. I'm currently a professor at Western Wyoming Community College going back for his second masters. Pretty quiet except for when I need to practice my music late into the night. Looking in the price range of up to \$700. Any higher and its cheaper to live in on-campus apartments. Please contact me by email or text only. Thanks for any leads
