Hi! We are a high quality adult production company that is recruiting for models to come to CA for a movie shoot and we have 3 parts left for female and 2 parts left for male! We will be conducting live interviews for a select few all this week. You will be compensated \$300-\$800 just for the interview. If you are chosen you will be filming in California for a week all expenses paid and you will be compensated very well. You MUST be 18 plus and be attractive of course but race is not important as long as you are marketable. Interviews will end 07/19. You can email us at

with any questions or if you would like to get qualified for an interview you can start with sending us pictures and we can get an interview time set up. Good!
