Hello Ladies

I am a female owner of a prestigious modeling company with offices in Phoenix that has contracts all throughout the industry. We are currently looking to hire models for a couple different shoots. We are looking for lingerie or implied nude. This is a paid shoot if we decide to go with you. It will benefit you portfolio wise and could turn into a possible contract. Please email us with your name/ age / and 3 photos for the type of shoot you are applying for. This means front and back photos either in lingerie or nude. Preferably no model type photos as we can not see your actual body type. Looking for models 18-40 and between 4'3 and 6'0. This will pay $300-$400 for lingerie and $600-$900 for implied nude. Both locations have female photographers and female hairstylists/makeup artists. Looking forward to hearing back.
