Want to live 2 seconds from everything and have a 10 acre buffer from your neighbors? Want to build your own subdivision and pick and choose your neighbors? Want to fix up existing home to rent and keep this 10 acre tract in the city as the city grows around you. Want to fix home to live in while you build your dream home then rent home and offset your payment. Do not miss this chance to own possibly one of the largest tracts of land inside the city limit. This land is zoned r1 and has sewer running thru it already. Trades considered, but no JUNK. Would consider rental homes, beach condos, mini storage units ect!!! Please serious calls only, do not waste my time and i will not waste yours. Plaesa call
