Location **California**
<https://www.genclassifieds.com/x-570095-z>

Hello, YKS Services is located in Oakland and we are looking for a native or near-native French speaker for this short-term assignment.

Description: Listen to the dictated lines and determine the accuracy of the dictated lines against the original written lines on an Android app.

Skills: No specific skills required, but the process involves using a PC and a smartphone (Android)

Location: San Mateo Office

Duration: 1-1.5 weeks/language, starting sometime late July or early August

Hours: Up to 7.5 hrs/day; adjustment of daily work hours possible. Work begins at 9am and preferably ends at 5:30pm.

Applicants must be able to legally work in the US.

Send us an email if you're interested in the project.

Thanks!
