

Amateur Photographer for Aspiring Models (santa rosa)

Location

California

<https://www.genclassifieds.com/x-570101-z>

I'm a very experienced amateur photographer with top notch gear looking for a couple aspiring models. Please be fun, energetic and serious about creating some great photos.

I am currently looking for female models for glamor & beauty type shots. No nudity, but please be okay with lingerie and implied nudes (nothing showing).

Please send a couple recent pics if you're interested and I'll send a link to my.
