Hi there,

We are a mobile detailing company that operates out in Hayward. We are looking to hire technicians to help us detail; we detail cars throughout the week for companies, boats, RVs, and personal cars. We are pretty busy and need some help. Training will be provided.

We offer a flexible schedule where we will ask on a Saturday what days you want to work the next week. You can decide to work all day, a few hours, and also at night time when we clean coach buses. It's a fun trade and days go by fast. We have friendly teammates; all just trying to create a great result with the projects we encounter.

Requirements:

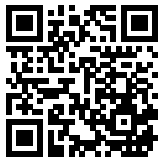

- No felonies
- Must have a drivers license
- Good attitude
- Ability to work with others
- Willing to learn and teach when necessary.
- Ability to stand on your feet for prolonged periods.
- Ability to climb small ladders to get on top of RVs etc.
