I am looking for people who wouldn't mind letting me take their picture. I am looking for practice and hopefully you are looking for pictures because I would be more than happy to give you copies of all of the pictures we take. If you are local to the Pleasanton/Livermore/Dublin/San Ramon area, it would help, but if not we can figure out travel arrangements. If you absolutely need pay, I'm open to negotiation on that as well. If you are interested, it would help if you sent me a picture or two or a link to your portfolio so I know who I am working with. Thanks very.
