Simply visit our website at **\*\*www.Hearticus.com\*\*** to hire a college student today!

There has never been an easier way to find the perfect babysitter for your family ?

Our process is simple. All you have to do is post a job on our website ([www.Hearticus.com](http://www.Hearticus.com)), and we will contact you directly over the phone to set up interviews with babysitters near you! Why risk hiring a sitter you don't know off of Craigslist? All of our babysitters are local college students who are background checked, identity checked, and have their criminal history checked. We don't take any chances with your safety. In fact, we even conduct in person interviews to ensure that only the best Helpers/sitters are chosen to become a part of our team.

We also have a very easy-to-use payment system. All of our Hearticus workers are set up on Square®<sup>®</sup>, a secure payment site used by thousands of businesses in America. This means that you can pay at the end of the day using any major credit card! We also have an invoicing option where you can pay for services rendered at the end of each business week right from your computer! No more cash-in-hand transactions, we make everything safe and secure. Want to learn more about how this works? Visit our website at [www.Hearticus.com/how-it-works](http://www.Hearticus.com/how-it-works)

Hearticus is here to help with more than just babysitting. Your helper will be there for you for anything you need. Don't have time to wash the dishes? No problem! Want to save money and have your car washed at home? No problem! Can't make it to the store today? You guessed it, no problem ?! Your

helper's job is to make your life easier in every way possible at the same hourly rate that you agree upon. You don't just pay your helper a fee. You pay for any extra services.

Simply visit **\*\*www.Hearticus.com\*\*** to post a job. Post a job and you will get a response as quickly as possible.
