Spin the Bottle

With Strangers

Okay, here's my idea:

10 strangers (5 girls, 5 guys) meet to play spin the bottle in the park. Pretty simple. It's crazy, but it could be fun.

What I'm looking for:

- *5 single straight girls
- *5 single straight guys
- *Relatively attractive
- *Normal
- *Fun
- *Strangers (Small groups are fine)
- *Over 21

I want to film the awkwardness for a YouTube video. So be prepared to have this whole experience filmed and put online. Nothing weird though, I guess beyond the fact that you'll be kissing people you don't know. We play until everyone's kissed at least one person.

If you're crazy enough to say yes, send me an email with a photo. I'll contact you with exact details on where to meet. Girls don't be shy, as normal attractive girls will be the hardest to convince. Bring a friend!
