Big D's DOT and Repair - We come to you!

I am looking for anyone who needs repairs on their car, truck, SUV, Work Truck, and/or Semi. I specialize in diesel mechanics, but I work on just about anything with an engine, and I would love to earn your business today. I am looking for customers who like to be treated fairly and want great customer service.

WyoTech Graduate, ASE Certified (working on master certification), CAT engine certified and very skilled in trouble shooting! If you want your vehicle fixed right the first time, call me.

Based out of Brighton I am a Mobil mechanic that will come to you.

DOT Inspection- \$80.00 ask about our fleet rate

Overhead Large Diesel Engine- \$175.00

Overhead Small Diesel Engine- \$150.00

I can do most repairs:

Brakes, rotors, oil change, transmission fluid and filter change, water pump change, vehicle inspections, U-joint replacement, sway bar links, idler pulley, hoses, leak diagnosis, head gaskets, fuel pumps, mufflers, transmission replacement, Head replacement, engine replacement, valve cover gaskets, clutches, and much, much more!

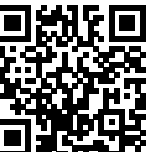

I specialize in electrical and trouble shooting.

We work on all different vehicles and engine models as well: Ford, Chevy, Dodge, Jeep, Audi, Volkswagen, Freightliner, Kenworth, Peterbilt, Cummins, International, Isuzu, and more.

Prices will be quoted before repairs are done on-site. Cash and estimates are available. Please quote it if you know what's going on. You don't have to. Come in today!
