

# Talented Artist Managers Wanted for Our Agency (Atlanta)

Location

Georgia

<https://www.genclassifieds.com/x-570228-z>

We are looking for dedicated people with an ear for music, great communication skills, social media guru, who want to showcase their talent in the music industry. You MUST have strong negotiation skills, know how to network, and be professional!! We are an artist management and development agency, looking for reliable people to represent our brand. There are so many advantages to working with a team of professional artist managers versus being alone. Only applicants with a resume or bio will be considered. We will be scheduling interviews this Saturday, July.
