Enjoy this private ranch-style retreat with open spaces inside & out.

3 generous bedrooms and 2 baths allow for plenty of room to get settled.

The walkout basement adds an additional 1, 640 square feet so you can grow and spread out over time.

The dining room has incredible built-in space for storage, extra dishes & kitchen items.

A large kitchen and bar top allow room for 6 stools.

Let the mountain silhouette backsplash view be a reminder to spend time on the deck.

Have a BBQ or a quick dip in the hot tub.

Have a hobby, need a hobby, or need additional storage? Step into the 40 by 70 clear span dream shop where opportunities are endless.

Insulation, a 325 BTU heater and concrete floor with 2 drains will let work progress no matter the season.

Protect just about anything from the outside elements with access through the 14' wide 14' clearance

overhead door!
