Recently bought this Claris predator only been able to take it out riding ones performed wonderfully previous owner had done maintenance and upkeep prior to sale adjusted the recently bought this Claris predator only been able to take it out riding ones performed wonderfully previous owner had done maintenance and upkeep prior to sale adjusted the valves only reason I'm looking to sale is to pick up temporary transportation due to car getting totaled two weeks after buying the 4w valves only reason I'm looking to sale is to pick up temporary transportation due to car getting totaled two weeks after buying the 4wheeler. Mechanically it is a very sound machine cosmetically does have some blemishes chair in seat some plastics slightly cracked ding in one rim. Need to try and sell as soon as possible so any serious offer will be considered But looking to get \$1,500 for it as.
