Massage for women

Feeling stressed? Would you like to have someone's touch help relieve your stress and help you escape? If so, all you have to do is email me. I will come to you with my table and leave you happy and glad you met me.
I'm a white male and I give an awesome massage.
Please put "I need one" in the subject line when you reply so I will know you are serious.
A pic would be nice also but not required.
Remember to put "I need one" in the subject.Â
