I have a 2005 dodge neon sxt, clean clear title in hand. It has 2 minor cosmetic flaws, small hole in drivers seat on the side by the door, and the defrost vent on dash is cracked but does not affect anything. Car is mechanically sound. It is dirty in pictures but has been washed and is clean now. It has just under 125,000 miles and has recent oil change. new motor mounts, and a new timing belt installed professionally. A/c is ice cold and the heat works great in winter. Does good in the ice and snow. Car has never been wrecked, not even a fender bender. And good amount of tread on tires. I have never had any problems with this car, just need the money currently. Am asking \$2,500 or best offer. Only looking for cash or trade for.
