

# Logo Designer Needed

Location **California**  
<https://www.genclassifieds.com/x-570538-z>

Hi all,

I'm looking for a designer who can put together a simple logo for my brand. I need someone who can think originally and outside-the-box. I have some ideas, but I'd like to collaborate over the phone/in person.

If interested, please e-mail so I can provide further information.

Thank!
