CHILDCARE: INFANTS ONLY
Spots available now in a loving, safe environment for your precious little one. Round-the-clock care available for working parents. We provide photo/video of your little one every 2-3 hours, food if you approve, You provide diapers, clothing, blanket and other necessities. I am a very Experienced mommy offering flat-fee affordable 24/7 child care for babies under 13 months of age, in my non-smoking home.

I Breastfed my babies and do encourage it with other mommies, no need to worry, I know how to handle mommy's milk. I only use purified water to make formula bottles and I NEVER use the Microwave for milk or formula. If your baby has begun eating solids, I boil and mash fresh veggies daily. I Also keep a good stock of a variety of infant cereals (rice, oatmeal, multigrains, probiotic, DHA, ect.) Baby juice, purified water and 2% milk. I will easily follow any infants specified diet.

So that I may give each baby adequate personal attention, spots are limited! Please email me with any questions or for contact.
