I have a 4L60E transmission for a 94 fullsize 2wd Chevy truck. It has been rebuilt but has been used for a little bit. I was going to put in my truck but decided to buy a new one instead. It has been kept inside since it was removed and is ready to go in your truck. I want \$500 CASH for it when you pick it up in Moberly, Mo. Calls only, NO TEXT anytime, from 8 am to 9 pm at

but leave a message if no answer if you want to be called back. I do not text and will not respond to.
