Parts for sale. They mostly came off a 1981 kz440 ltd. Some parts will fit other years, sizes, maybe different makes:

-Carburetor bodies (Keihin CV 36). No throttle slides and diaphragms, no bowls. \$20

-2 needle jets, 2 main jets, one idle jet. A couple are a little ate up but are useable. \$20 for all, can sell separately.

-Right side exhaust pipe and muffler. Muffler end has some rust and damage, baffle inside is probably damaged. Would be perfect for someone to chop off muffs. and use open header or aftermarket slip-ons for a bobber or cafe. \$40

-I also have a few IC igniters for sale. They're off bigger kz models but I know they work for 440s and others. \$20 for all, will sell separately.

I'm flexible on price, especially if you buy multiple items. Make an offer! Contact me for additional information or pics. Thanks!
