Need to rehome my champion american bully, her name is girlie and she is good with kids and good in the house. I am only rehoming her because we recently moved to baton rouge and had to move into an apartment, she is used to getting to spend a lot of time outside so I'm looking to rehome her to someone who has a yard she can spend time in. If you are interested please call or text anytime. Asking a \$200 rehoming fee to make sure she goes to a good.
