

## After school care

Location **lowa** https://www.genclassifieds.com/x-570762-z

Hello! I am looking for after school care for 1 child Monday-Thursday in the NW Omaha area. School is out around 4pm and the child would need picked up and brought to our home. Hours are from 4pm till 6pm. Ideally, I am looking for a trustworthy high school or college student. Must be responsible and have a good driving record. If it worked out, could possibly turn into full-time summer care in 2016. E-mail with any questions. Thank!
