Thermometer for Ball Python tank (Omaha)

Location **Iowa**
https://www.genclassifieds.com/x-570770-z

I'm in need of both a thermometer and hygrometer for my ball pythons tank. I also need a screen cover for a 10 gallon, and I'm also looking for a breeding pair of rats or at least a male rat that's old enough to be mated. If you have any or all of this stuff please contact me. Willing to pay. Thank!
