Hello,

Do you need of a great sound system for your event with included soundman?

Do you need a light show with operator?

Do you want HD Video of your gig?

We can take care of you then!

Whatever your needs are, just sound, sound with lights, sound with lights and video, we have a package that will fit your needs.

We will supply you with a killer sound system that will rock the house:

Front of house will have a three way system with 5000 watts of screaming power!

Stage monitors with 1600 watts - you WILL hear yourself!!!

All the mics, including a full drum kit Mic set up.

16 channel Mackie with iPad floating control.

If you like, you can control your own stage monitor mix with any iPad, iPhone or iPod too.

We set it all up, run it and tear it down for you. All for prices as low as \$400.00!

We also offer basic sound for a typical small gig. Prices will be slightly higher for larger events and more equipment.

Small to medium System:

Just sound with soundman:

Sound, soundman and lights:

Sound, soundman, lights AND video:

(We also offer smaller systems if your needs are smaller)

Medium to Large System:

Sound System

Just sound with soundman: \$800.00
Sound, soundman and lights: \$1000.00
Sound, soundman, lights AND video: Varies depending on what video package you want.
(We also offer smaller systems if your needs are smaller)

Soundman is a very experienced soundman and fellow musician who also owns a video production company with many years of experience doing live band videos. We know what you need and want both on stage and in the world of video!
