

cheap custom car audio fabrication (Hilo)

Location **Hawaii**
<https://www.genclassifieds.com/x-570831-z>

Specializing in Subwoofer enclosers and custom interiors. Can work with almost any vehicle with professional advice for your best and cheapest options based on your preferences. I do not do this to make a lot of money like every audio shop here just do it as a hobby so i barely charge anything, materials is the main charge. If you have an idea in mind email me and I can give you some options and a quote for materials and labor. Always Aloha. Take care and God bless
