

Female Fashin Models

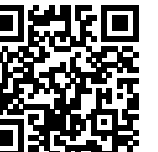

Location **Florida**
<https://www.genclassifieds.com/x-570864-z>

I am an established fashion art editorial photographer based in Orlando and I am in search of female models for editorial/lifestyle shoots. Although no experience is required, you must be comfortable in front of a camera. These shoots will be published in fashion art magazines. Models will also receive edited photos with release to use to build their portfolio. You should be fit and be comfortable with some nudity - very American Apparel style.

Please reply with name, age, height, experience (if any) and two recent photos

This is a GREAT way to add to your portfolio or get one started and to be NOTICED - you will be published!
