

Nonprofit Seeking a Donated Building (Detroit)

Location **Michigan**
<https://www.genclassifieds.com/x-571008-z>

Website: www.metplus.org

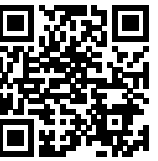

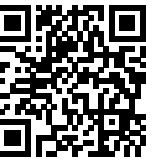

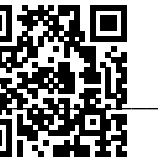

Currently, Michigan Employment & Training Plus, (MET|PLUS) is seeking a building to be donated to our organization to operate out of until we acquire our vocational school building. We are looking for a building on the west side of Detroit or other nearby cities. If you or your organization has a building to donate please contact us at or contact us through our website, www.metplus.org.

Thank You

Mission Statement

Michigan Employment & Training Plus (MET|PLUS) mission is to partner with communities, employers, employees and job seekers to educate, employ, train and help build a solid Michigan working economy through workforce vocational and skill training. This will help eliminate employer vulnerability by hiring skillful employees that has increased their knowledge and skill by accessing free employment training opportunities. Also MET PLUS will provide hands on training through direction of certified results driven instructors that will contribute to the rebuilding, improving and maintaining neglected and or damaged communities through various projects.
