This is a position for an independent expanding national television network. There are many aspects to this gig, so you must be able to multi-task in a fast paced environment that can change quickly.

Our company is based out of Chicago has recently expanded to Oakland CA, Fort Wayne IN, Pittsburg PA, Providence RI, Manhattan NY, Omaha NE, and Seattle WA. we are currently negotiating with Tampa Bay FL, Honolulu HW, and Los Angeles CA.

Your duties will include finding talent and television shows willing to pay for slots on our network. We have music video television shows for musicians who just want to submit videos. If someone wants to produce a segment or show, we can get them national television exposure. For example, Chicago slots start at \$20 per slot, which will get them aired twice in one month. We also have full packages that cover the entire network for \$300. We can accommodate any show or any budget.

We currently have a producer in Omaha that you will be replacing.
