If you are a fitness enthusiast, teacher, college student, parent, part timer, babysitter, etc.- check out our online instructor training workshops! FLYAROO Fitness classes can be taught anytime, anywhere.

FLYAROO Fitness: preschool exercise certification to teach dance, yoga, basic skills, dance, imagination, and so much more- all in one class! We are theme-based and every month you receive a new place to travel in the classroom (i.e. circus, zoo, winter, Hawaii).

The Instructor Training empowers our greatest asset, YOU to share your love of fitness, make extra money, and have fun! You can teach the program in any setting with preschoolers: gym, park, beach, preschool, after school, camps - the opportunities are endless. We build the curriculum, we design the classes, we choreograph the playlists, YOU teach the program!

We have 15 instructors certified and working all over the country. FLYAROO Fitness also has a publicist and marketing team to ensure that the program is well-received nationwide. Our instructors make anywhere from \$65-150+/ hour.
