

# Ugly Houses (Minneapolis)

Location **Minnesota**  
<https://www.genclassifieds.com/x-571060-z>

I'm selling properties in Minneapolis that need some little love and tender care. These properties are in good condition but need some minor cosmetic work. They have income potential as investments or would make a good home for any family. I will ensure a fast, hassle-free transaction. I would like to receive cash only for these properties.

Thank
