Hi! Safe public place and legit and easy. If you know you have the looks and the body that someone would be willing to pay \$100 just to sit with you at a bar, then reply. That is literally all you have to do. There is one catch. The bar is the King of Diamonds club in Inver Grove Heights. You see all my rowdy friends have settled down and I have nobody to go with. And yes there are other ladies that go to watch also. So it's really that simple. If you have never been there it's fun! Have a nice conversation while listening to great music! And, if your curious you can also see some beautiful women. It's perfectly safe also since it's a public place with bouncers etc......I am open to all days. If you are reading this ad, chances are you need some quick and easy money. This has to be the easiest job being offered. Now....I would not pay that much money to sit with just anyone of course. If you are beautiful, and your look turns heads wherever you go, then send 2 or 3 photos of what you look like(pics with a SMILE are best) and include your age and height and weight. I am a white male, college educated, mid 30's. I am open to all, so this is just a general guideline, but I guess my perfect girl would be a white, latino, or asian lady, 5'2" 110 Pounds. Prefer ladies under 125
