I have an awesome, Custom built in California, West Coast Custom Chopper for sale. This one is a definite looker. Powerful, strong and fast CB750 engine with Dynatek coils and wires. 18 inch rear and 21 inch front wheels. Harley Davidson controls, mirrors, wheels, forks and pegs. Cycle one frame put together by Chopper Carl on cycleone.com. Dual cycle-x Mikuni carburetors with K & N filters for very quick throttle response. This baby has two LED light strips under the tank with variable speed and remote for showing it off. This bike is in excellent shape and has won at least two bike shows. It's a definite eye stopper.
