Hello and thank you for taking a look at my ad.

I am a loving, experienced and state-licensed childcare provider. I have infant/toddler and preschool CDA's. My goal is to produce happy, intelligent and well-adjusted children. I recognize that each child has unique talents, learning styles and needs. I provide a safe, fun and educational environment for children to learn and play at their own pace. I plan age appropriate learning activities such as arts and crafts, music and movement, educational games, puppetry and story time.

The daily preschool activities include learning the alphabet, numbers, colors, shapes and early reading/writing skills. I also implement a monthly theme curriculum so the children will develop cognitive, social, science, emotional and fine motor skills.

I have over 15 years of experience. I was a lead teacher and a center director before I started my daycare business in my house. I have dedicated a large space for the children to use inside and a large playground. I offer very affordable rates.

I provide meals and snacks, participate in USDA food program, have first aid/cpr certification.

I hope to hear from you. I can be reached at for further questions and to schedule an appointment to see the place.

My daycare is conveniently located near Burke road vre, Springfield, Fairfax, 95-495.
