Wonderful executive / large-family home in quiet secluded neighborhood. The entire first floor has ten foot ceilings and beautiful stained concrete which is so easy to maintain in this split floor plan home. Five bedrooms (three downstairs and two up) plus a small office area upstairs. Three bathrooms (two down and one up) and a kids playroom or a second living area is also upstairs. Gorgeous granite countertops with an island gas range in the kitchen and stainless steel appliances. Huge Master bathroom with separate vanities, a garden tub, a floor to ceiling step-in shower and a large walk in closet. One of the best features is the tank-less hot water heater. Never run out of hot water. All three bathrooms can be utilized at once. Property also has a separate 20x20 metal building with two roll-up garage doors in backyard for extra storage or a workshop. Only two miles from I-10 and within 10 minutes to KAFB. Conveniently located to everything, Ocean Springs, Promenade shopping center, & Biloxi, are all only a few minutes away. Great schools in the St. Martin School
