I have two 3 month old boy rats that are brothers from the same litter. I no longer have the time to spend with them and they deserve more time. They will come with their big cage that I added fencing and wire to as they are not fully grown yet, toys, food dish, wheel and water bottle. Thw boys are Sven & Kristoff. Both also come with thwir own running ball. Asking rehoming fee of \$25 to ensure they will not become something's.
