YES! White powdery sand beach directly behind condo. This is a true one bedroom that sleeps four to six comfortably. It is not one of those studios with a small bed niche that others at the complex (Pats at Punaluu) try to pass off as a one bedroom with their fisheye lens pics. This unit is the ground floor corner unit, the most preferred location so you can avoid lengthy elevator waits on your vacation. All visitors have agreed that this unit is absolutely the best location in the building. Luxurious upgrades include granite counter top, travertine type flooring, \$3,000 massage chair and state of the art ceiling fans. It has a cherry wood sleigh King bed with pillowtop mattress in the bedroom, a full size "top of the line" futon couch which is more comfortable than a bed (at a cost of more than \$400 for the futon mattress alone), 2 single futons and even an extra full size king air mattress with pump and lots of extra linens. There is a Pentium IV computer in the bedroom that has unlimited high speed internet access and Wi-Fi for your laptops. The unit is stocked with quality snorkeling equipment, quality Boogie boards, movie video library and even books. There is a full kitchen with large refrigerator, stove/oven, pots, pans, dishes and silverware, paintings of ocean and ocean life, track lighting in both front and back rooms, acrylic glass set, microwave containers, knife set, 'patio set with cushions .....Also deluxe toaster oven w/rotisserie, automatic rice cooker, 2 color TVs, VCR, DVD Player, Panasonic microwave, coffee maker and grinder, Kenmore washer/dryer, remote phone, leather Recliner chair and clock radio/CD player in the bedroom. You will enjoy visiting because part of the time you have the white sandy beach completely to yourself (Yes it is always safe). The area (Hauula) is on the opposite side of the island from the airport and Waikiki. About 45 minutes to an hour drive. It is not far from the Polynesian Cultural Center (about a 10 min.drive). The city bus line picks up directly in front of the unit. Sunset Beach is about 15 minutes away.

Baywatch Hawaii and Lost were filmed about 25 minutes away in Haleiwa and North Shore on FOX was filmed about 30 minutes away. The same distance to Hawaii Film is currently being filmed in the area. The permanent pool for children is 1/4 mile away. The unit is eight minutes from a long, sandy beach on your vacation. It is this close to a white powdery sandy beach. The unit is perfect for a 1/4 mile walk to the beach. It is perfect for a 1/4 mile walk to the beach. It is perfect for a 1/4 mile walk to the beach. The building has amenities like professional Bar-b-que area, gym, swimming pool next to your unit and sunning area behind your unit. Your parking stall is included and located right in front of the unit.

This is the ground floor, corner unit. This is the preferred size and location. The unit extends from one end of the building to the other and measures approximately 850 sq. ft. The normal rate is \$174 per night. I have temporarily dropped the price to 139 except for the Holiday period from December 15 to January 15. This is a temporary special rate. Rate is based on double occupancy. Please add \$8 per night per
