Location **Hawaii**

Need some extra income? We need someone to help with housecleaning for our vacation rentals in Holualoa. The apartments each take 3 hours to clean, so you'll earn \$60 each time you clean them. We pay by check and there are no taxes taken out. We're located near the Holualoa school--less than a mile from the Post Office. We'll need someone about once a week and really need someone soon as we're going out of town for 3 weeks starting August 20, so if you're interested please call today!
Thanks, Bob &
