Highly experienced auto technician looking to work on your car.

I've been working on cars for over 25 years.

All makes and models are welcome.

No trucks or European vehicles please.

I will perform all minor services, such as brake jobs, tune-ups, etc.

Brakes from \$60, parts and labor.

Tune-ups from \$40, parts and labor.

Ask me for a quote.

Show me your best offer and I will beat it!

I can also do window motors/regulators, power door locks, etc.

No motor or transmission replacements, but I can service these.

You want to save money, I want to make a little on the side.

It's a win-win situation for you and me.

Please reply with "mechanic" as the subject or I can not reply due to spam.

Email me with any questions or comments and I will reply promptly.
