Watch Me Sculpt is a thriving elementary after-school care program seeking teachers, elementary ed college majors, art teachers, or retired teachers to teach once/week after-school sculpting classes to kids in grades K-5. Students learn how much fun art can be as they make a different, fun sculpture each week. There are 5 sessions per school year, 6 classes per sessions = 30 total classes per school year. Classes are once/week and lasts for an hour. Teachers will work with the WMS Indiana regional director to ensure they are well-trained, properly credentialed for their assigned school, and have all materials and lesson plans before stepping foot into the assigned elementary school. Feel free to visit our website (www.watchmesculpt.org) and contact us with interest or any further questions.!!..
