

Ladies Needed for Audition Style Videos (Indy)

Location **Indiana**
<https://www.genclassifieds.com/x-571547-z>

I'm currently producing "Casting" or "Audition" type videos, and need two more performers.

Each video will focus on one female who "thinks she's interviewing for a modeling opportunity, but is shyly convinced to take the audition further (i.e undress, etc)".

I'm looking for "girl next door" types. No models. No porn stars. If you naturally have a shy and quiet personality, that's a bonus. The more innocent you come across, the better.

I'm not looking for BBW performers at this time, but you don't have to be thin. Average to a little above average is perfect. I will require a couple clothed photos, your stats, your location, and your daytime availability.

I typically film at the performer's location, to give the videos variety. If you can host, the pay is higher since we don't have to rent a room. \$60 if we have to meet, \$160 if you can host. \$200 if the video is more creative.

Please e-mail me with your first name, age, location, daytime availability, and at least two photos taken.
