I am re-homing 2 male guinea pigs for a small fee due to moving in less than a month. I need to find them loving new owners. THEY ARE NOT FOOD FOR ANOTHER ANIMAL.

Frederic and Thibodeaux are sweet male guinea pigs, blonde and white & red and white. They do not bite but are jumpy when in the cage. Very loving. I'm asking for a small re-homing fee of \$20 OBO. This includes their cage, house, water bottle, and 2 food bowls. Serious inquiries only. Text or email for pictures or with offers.

Thanks,
