HORSE PROPERTY AND HOME FOR SALE (MSL 98561334)  
 MAKING YOUR DREAMS COME TRUE

PRESENTING 20461 N. MAIN STREET, CAREY, ID

This charming home was built in 1983 and sits on 0.79 acre in the middle of Carey, ID in a residential/light industrial zone. It was meticulously remodeled in 2005 (to add the Master Bedroom) by the same craftsman/master carpenter who builds the \$13M homes in Sun Valley Idaho. The craftsmanship of the remodel shows extraordinary attention to detail -- even the pole for the satellite dish has been framed and sided! The house is now 1550 sq. ft. and has an all new steel roof, all new windows, a new Forced Air Furnace with Heat Pump, with 3 1/2 ton Central Air Conditioner. It also has all new carpet and hardwood floors. The house is perfectly designed for either a single resident or couple, with the lovely Master Suite, or a growing family, with the good-sized extra bedrooms. These bedrooms would also be perfect for an in-home office or studio. Because of the zoning, you could start a business on the property. The open floor plan of the Living Room/Dining Room/Kitchen area also makes the house "live" bigger than its 1550 square feet would suggest, as it gives an open and spacious feel to the home. Here are the specifics:

- Master Bedroom: 16'6" x 19'6" with fireplace, the front of which is faced with granite
- Master Bath: 9'6" x 11' with granite counter tops and tile floors
- Whirlpool jet tub
- Full separate shower
- Walk-in Closet: 8' x 8'6" with built-in cabinets
- Main Bath: 5' x 11' Tub/Shower and tile floors
- Bedroom 2: 14'6" x 10'6"
- Bedroom 3: 10'6" x 13'
