I am a professional Commercial Photographer. Rarely do I have the time to produce any experimental artistic photography.

I am seeking women with unique figures for an experimental artistic nude, erotic and fetish photography project. I am offering this as a Trade project. If you are someone who wants specialized professional photographs for your own needs then I can produce those images for you as a trade for your work on my own project. I will work at any level of comfort you feel is appropriate for you. We will work under contract which specifically states that the images we produce cannot be displayed anywhere, or used for profit without written signed agreement between photographer and model.

With the professional connections I have developed there is the potential to display selected images in various galleries around the Chicago area. The agreed upon images can be printed and sold as artwork to buyers and collectors of this genre. This will require an agreement between us regarding the sharing of profits from such sales.

You must be at least 18 years of age with valid state issued identification for proof. My preference is to work with women age 30 and above. Please reply with a recent image of yourself for.
