CHILDCARE ages 6 months-3 years

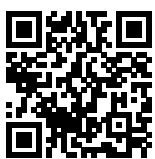

I'm looking to babysit 1 or 2 children starting in AUGUST. We are moving into our own place and I'm ready to start watching a couple of kiddos. I'm a stay at home mom and have 1 child of my own. She is a year old. We are a smoke, drug, and pet free residence. Very fun, clean and everything is sanitized daily.

PLEASE NOTE, there are more toys and books but they are at my current residence. (second picture shows the toys that will also be in the play room come August)

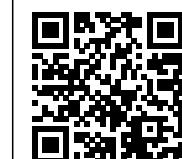

LOCATED in Augusta on northern ave. Right across the calumet playground.

Rates (covers up to 8 hours a day)- \$25/ day if I supply snacks/meals  
 Any additional hours after 8 hours is reached is an extra \$3 an hour.  
 \$20 a day if you provide snacks
