At the American Bullion Center we buy U.S. coins, proof & mint sets, large size currency, gold & silver bars and eagles, pocket watches, antique watches by Rolex & Patek Phillipe, service award pins, gold & silver jewelry, Franklin Mint items and Stieff, Kirk & Tiffany sterling silver.

I am an established dealer with 40 years experience. The American Bullion Center is not a pawn shop nor do we loan money. We buy from other dealers and the public because we pay the most competitive daily price.

Come see how much you get for your treasures! I know you'll be happy with our prices!!

American Bullion Center Where You ALWAYS SELL FOR MORE!!!

There is no tricky pricing, no store credits, no bonus days, no sign swingers out front. Just higher prices paid every day.

I look forward to helping you!
