Updated 1st floor unit in vintage three story brick walk up with laundry on premises. Great value only \$875 for a 2 room studio with separate kitchen, hardwood floors plus gas, heat, and water included.

This unit is in the heart of Lakeview just 2 blocks from public transportation (trains & buses) and only steps from restaurants, nightlife, shopping, theaters, Starbucks and just a short walk to the Lake front, Wrigley Field, Trader Joes, Jewel and much, much more.

Very well managed and maintained property. Sorry no dogs.
