Located in Helena - An all original 1941 Ford 2 Tudor Sedan Super Deluxe. This car is pretty amazing in the sense that it only has 48,000 original miles and it runs and drives very nice. Our grandfather bought this car in 1992 and it only had 29000 mile on it at time. He did however, completely overhaul the flathead V8 engine that is in it right about 5000 miles ago and he went through the brakes. Has a manual 3 speed on the column and the paint and interior are original as well. The car is smooth and quiet. This is a true survivor car from the pre-war era. If you are looking for an unmolested beautiful survivor car, you will be hard pressed to find one as nice as this one. It is car show ready! We are very sad to see it go, but have too many vehicles to deal with. \$16,500 If interested, PLEASE CALL ME. I will not answer text messages or
