Real Estate Investing may sound hard, but if you become a property finder with us, we'll do all the work, and you can get paid!

While it may sound too good to be true, you can earn money in real estate, risk-free, by committing nothing more than your time. It's a perfect opportunity for those who are interested in earning extra income and learning about investing through part-time or weekend work.

Real estate investing is an extraordinary path to financial freedom, but not everyone has the money or the credit to invest in education or properties themselves.

Now there is a risk-free way for you to start. In fact, many full-time investors started out by finding properties for other investors as a way to learn the business, earn extra cash, and take their first step toward their OWN financial freedom.

Here's how it works. You find a property, you tell us about it, and we'll take it from there. We'll do all the work of evaluation of the property, negotiations, closing on the property, rehabbing the property, reselling the property and more. We'll do EVERYTHING, you just get paid!

We are currently working with 100s of property finders here in St. Louis, and are looking to add a few more quality people to our team. We have been in business for 15 years in Saint Louis, have tremendous knowledge and expertise in Real Estate Investing and have cash and resources at our disposal to buy almost any type of property.

Becoming a Property Finder Allows You To...

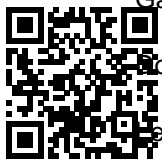

Work in Your Spare Time - There are no time commitments or requirements, you work when you can and want.

Gain Hands On Investing Experience - You'll have first hand access to the minds and systems of successful real estate investors

Doesn't seem like Money or Credit is all you need? You don't have to invest large amounts of money. You will even check for credit. You can learn how to make money in real estate. It's all learning and there is a great reward without any risk (and not using your own money).

Earn Money Easily - With nothing but time, little effort, a desire to learn, and the ability to talk, you will earn cash on every property we close. Plus: Receive a FREE Special Report when you sign up: The Property Finder's Guidebook: How To Easily Earn Risk Free Money In Real Estate.

This is the best way to learn without putting your money, credit, or job on the line. We're experienced real estate investors who understand you're ready to earn extra money and learn about the best wealth building business in existence without risking anything.
