Looking to trade.

40 acres in the heart of Montana, rich in hunting and recreation. Just 20 miles south of the C.M. Russell Wildlife Refuge and the Missouri Breaks National Monument, this 40 acres is surrounded by thousands of acres of public land. The acreage consists of two 20-acre surveyed lots. Lot 19 shares its east boundary with 1600 acres of State land. Lot 20 borders State land on the east and thousands of acres of BLM on the south boundary. A county road traverses both lots near the east boundary.

We would be interested in a land swap for land in western Montana or north Idaho. Please see my website at <http://rattlesnakeranch1.com> for pictures and information.
